## PLATE GLASS MEN MAY ENTER GUARD

**Directors of Pittsburgh Plate Glass Company Decide on Preparedness Move**

### CHARLEROI PLANT AFFECTED

If any of the employees of the Pittsburgh Plate Glass company here desire to enter any of the military training camps of the United States Army or the Naval Reserves, and can get through the various examinations successfully, the company will place no bar to their way, but will help a good movement along by granting them each an additional two weeks' vacation with pay. This is in effect the decision of the directors of the Pittsburgh Plate Glass company at a meeting held this week, applying to all plants and all employees of the company available for military service. The resolution adopted was as follows: "The local managers and superintendents of the Pittsburgh Plate Glass Company are hereby authorized to permit such employees as desire to enter any of the military training camps of the United States Army or the Naval Reserves and to grant such employees an additional vacation of two weeks on full pay."

"Any employee of the Pittsburgh Plate Glass company who enlists in or is member of the National Guard shall be permitted to attend the annual encampments and receive full pay during his absence for this purpose."

"The foregoing privileges are to be granted by our managers and superintendents at their discretion and with the understanding that at no time shall enough men be absent to materially interfere with the conduct of our business."

Captain Charles Brown, one of the directors who introduced the resolution said: "If our workmen are willing to make the sacrifice of leaving their home and firesides to spend several weeks conditioning themselves for the rigors and hardships of modern warfare and to become efficient in the handling of arms, we feel the least we can do is to protect them from any financial loss in performing a duty to their flag. We will pay them while they are absent and those going to the training camps will be given a two weeks' vacation on full pay besides."

There are over 6,000 men employed by the company. This firm is said to be the first corporation in the country to take such action.

### FIRST PRESBYTERIAN CLASS MEETS WITH MISS STEINBAUGH

The Daughters of the King class of the First Presbyterian Sunday school met at the home of Miss Elizabeth Steinbaugh on Fallowfield avenue Thursday evening. During the business meeting the following officers were elected for the ensuing year: President, Adeline Might; vice president, Beatrice Espey; secretary, Mabel Orange; treasurer, Elizabeth Steinbaugh; chairman of social committee, Aletha Might; chairman of lookout committee, Matilda Kline. A fancy work club was organized by the club. During the social hour refreshments were served by the hostess. The next meeting will be held March 9 with Miss Lillie Strauser. Miss Tillie Hopkins is the teacher of the class.

## WASHINGTON MAN INDICTED UNDER OHIO LIQUOR LAWS

**Jacob Zelt, Jr., Facing Serious Charges at Steubenville—False Registration Alleged.**

Jacob Zelt, Jr., a former councilman of Washington and who has been conducting a wholesale liquor house at Mingo, south of Steubenville was Thursday indicted by the Jefferson county, Ohio, grand jury on a charge of obtaining a false registration. The case against Zelt is one of a large number growing out of the wet and dry contest at Steubenville in which the "wets" won out.

Zelt is charged with violations under the famous Beal law of Ohio. William Heise a saloonkeeper of Steubenville was indicted on two counts of illegal voting. Twenty-five election cases were investigated by the grand jury.

Zelt is said to have been connected formerly with a brewery at Washington and with also having been in the wholesale liquor business at Pittsburgh.

## BREWERS FAIL TO PRODUCE RECORDS

**Minutes of Meetings, Check Books and Correspondence Destroyed**

### SECRETARY WINS RELEASE

Every record of meetings, all check books bank pass books, cancelled checks, check book stubs, correspondence and every report of any kind of receipts or expenditures of the United States and Pennsylvania Brewers' associations previous to January 1, 1916, have been destroyed, John P. Gardner, president of the Pennsylvania Brewers' association; Edwin A. Schmidt, its treasurer and Gustav W. Lembeck, treasurer of the United States Brewers' association, told Judge W. H. S. Thomson Thursday afternoon in United States district court in the hearing on the presentment of the federal grand jury asking that the three men be declared in contempt for subpoenaed records.

The witnesses denied the records were destroyed, after subpoenas had been served February 1 in the federal probe of alleged political activities of the brewers. Answering questions of Judge Thomson and United States Attorney Humes, the witnesses said the destruction of such records was a part of a regular system.

At request of counsel for the three men that they be given time to study the testimony disposition of the contempt case was put over until today.

Developments began with the release from jail of Hugh F. Fox, secretary of the United States Brewers' association, who had been committed for contempt of court. Fox was liberated in \$1,000 bail on a writ of habeas corpus granted by Federal Judge W. H. S. Thomson.

An attachment was issued for the arrest of Charles F. Ettla of Philadelphia, Pa., secretary of the Pennsylvania Brewers' association for failing to appear in response to a subpoena.

Contempt proceedings were begun against Walter J. Damm of 512 Ivy street for refusing to produce a letter said to contain evidence of the political activities of James P. Mulvihill, vice president of the Independent Brewing company.

## LOCAL COMPANY BRANCHING OUT

**Imperial Glass Company to Put Plant Into Operation at California**

### OUTPUT WILL BE INCREASED

Ground is being cleared and buildings are being put in shape at California for a branch manufacturing concern and addition to be operated by the Imperial Glass company, which has a large factory in Charleroi. The old plant of the Campbell Brothers' company will be utilized affording about one-third the capacity of the Charleroi plant.

The lease for the Campbell factory has just been signed and arrangements are being made for an early start. The California factory is a one tank plant and will give employment to about 100 men. Operations will be carried forth indefinitely.

By securing the California plant the Imperial Glass company does not propose to curtail production at Charleroi, but to increase its total output. Glass bottles will be manufactured at the up-river point as well as here.

Since March 1914 the plant at California has not been operated. From the fall of 1913 to 1914 the Greensburg Glass company ran a bottle factory.

## MARIANNA CHIEF NOW FACES SERIOUS CHARGE

**Violation of the Election Laws and Interference With the Election Board Specific Accusations Which Are Made.**

Charged with violation of the election laws, interfering with the election board, assault and battery, disturbing the school board meeting and being intoxicated while on duty, John W. Sarver, chief of police and constable of Marianna was arrested Thursday by State Troopers Alvis and Kahle. Taken before Justice of the Peace Hough he was held for court on the charges of violation of the election laws interfering with the election board and being intoxicated while on duty bail being set at \$2,000.

Sarver's hearing on the charges of assault and battery and distributing the school board meeting will be held before Squire Hough Thursday, March 2, bail on these charges being fixed at \$500. The charges against Sarver were preferred by Edward H. Miller, mine foreman at Marianna.

Following his appearance before Squire Hough Thursday Sarver was taken to Monongahela and went before Alderman J. B. McAlister. He gave bail in the amount of \$2,500.

**Violin Lessons.** Miss S. Gwen Treasurer. At home Mondays, Thursdays and Saturdays, 401 Crest avenue. 209-t7-p

cal activities of James P. Mulvihill, vice president of the Independent Brewing company.

## INVESTIGATING JUNK THIEVING

**Two Waive Hearings For Appearance at Court—Other Hearings Later**

### STATE POLICE ARE WORKING

In the sensational junk theft case at Monongahela where four were arrested for a hearing Thursday afternoon at Monongahela and two later at Donora, two of the number have waived hearing and given bail for \$500 for their appearance at court and the others are to undergo preliminary hearings today. The charge against them all is that of receiving stolen goods. The state police and Monongahela officers working on the case propose if they can to run down those alleged to have been guilty of stealing the goods in the first place and selling them, ending what is believed to have become an organized system of junk thieving. In the possession of these men is said to have been found several hundred dollars worth of material belonging to the Donora Zinc company.

M. Sklar and Mike Pocheski gave bail in \$500 upon waiving their hearing, but Elmer Liebler and Morris Barger, of Monongahela and Harry Pendrok and Mike Lacuka of Donora preferred to await a hearing today. The state police are gathering evidence.

## JOSEPH BEAZELL DIES AT HOME IN SPEERS

**Took Ill at About the Time of the Death of His Wife Last Day of January—Was Widely Known Throughout the County.**

Illness dating back to the date of his wife's death, Monday January 31, resulted in the death at 1:30 o'clock today of Joseph Beazell a widely known resident of Twilight borough. His death followed a general breakdown from a complication of maladies.

Mr. Beazell was born and raised in Washington county in what is now Twilight borough and spent the greater part of his life in agricultural pursuits there. He took an interest in affairs of the district in which he lived and in later life served as a member of the Twilight school board for a term of six years. With his wife Mr. Beazell assisted in the work of organizing the Methodist Episcopal church at Speers, where he held his membership.

The following sons and daughters survive: James W. Beazell of Toledo, Ohio; Frank Beazell and Mrs. James T. Heffran of Speers; Mrs. Marian Irwin of Elizabeth; Miss Lulu and Isaac Beazell at home, Miss Kathryn Beazell a teacher in the Pittsburgh schools and William H. Beazell a member of the First United States Cavalry located at Fort Sheridan, Ill.

The funeral services will be announced later.

## FIRST APPEALS HEARD BY THE COMMISSIONERS

**Washington Wards Are First Considered by County Officials—In Charleroi Next Wednesday.**

Commissioners Watson, Hill and Barnum are hearing appeals of property holders of the Fifth, Sixth, Seventh and Eighth wards of Washington. The complaints are few and the commissioners are complimenting the assessors in general in having rendered satisfaction in their estimates of the worth for taxable purposes of their respective wards.

The commissioners will hear appeals from Morris, North Franklin, South Franklin and South Strabane townships today and on Monday they will be at Finleyville. Tuesday they will go to Monongahela and on the following day to Charleroi. During the month of March they will be at several points to hear complaints.

Coal companies and owners of coal in blocks will be heard in the commissioners' office on March 13 and railroad companies and other public service corporations will be heard the following day, March 14.

## CONCESSIONS MAY BE MADE

**Question of Run-of-Mine Basis Considered by Operators in Conference**

### MINE MEETINGS ARE RESUMED

Prospects of an early agreement on a new wage scale for the soft coal fields of Western Pennsylvania, Ohio, Indiana and Illinois were pronounced much brighter at New York after the adjournment of the resumed conference of operators and organized mine workers from those states.

The miners have been given to understand that they may look for concessions with regard to the mine run demand which has deadlocked the mine owners and their employees for nearly two weeks. No direct offer has yet been made, but sufficient intimation has been given the miners of the intention of the operators to make the unionists confident that a four-state wage scale will be agreed upon before the New York conference ends.

When the joint conference resumed its deliberations after a recess of a week, the whole question of a wage scale was again referred to the sub-committee which immediately continued its discussion of the mine run demand. The miners told their employers they did not want the run of mine system as a matter of policy but as a matter of dollars and cents.

It was said after the meeting of the sub-committee that if the system of paying the men on the run of mine basis is conceded the operators will ask for certain measures of protection to assure them the miners will send up clean coal and not a large percentage of slack which does not command the same prices as lump coal.

The Ladies of the Washington Avenue Presbyterian church will hold a bazaar sale at Carson's Grocery, Saturday afternoon Feb. 26. 214-t2

## HILLTOP TROLLEY MONESSEN'S ALL

**That Plan Being Considered Now to the Elimination of Everything Else**

### SOME MONEY IS SUBSCRIBED

Devoting every energy toward curing a long desired hilltop trolley—a project which now seems feasible—Monessen is taking little time off to listen to the schemes from various sources to interest in different bridge propositions. This applies to the movement for a new Donora-Monessen bridge and to the plan of freeing the Monessen-Charleroi bridge. Sentiment has been crystallized and is being crystallized for a hilltop trolley project to the exclusion of all the other "big" movements which Monessen might have been interested. After the hilltop trolley is a success or a failure, then Monessen folk figure, there will be plenty of time left for giving attention to other schemes.

It is proposed to construct an electric line over the Monessen hills to provide an outlet for hill residents to down town business sections. This plan Monessen people propose open up new residence locations, admitting that present living conditions are inferior to those, for instance Charleroi.

At the present time there is subscribed \$20,000 for the electric ways loop as planned and \$1,000 now being secured in small amounts with which to make surveys. It is believed the project could be financed for \$100,000 and if the surveys prove this fact the movement will be continued enthusiastically.

As for the Donora-Monessen bridge—well, it is to be private capital—fair arranged between the two towns as the plans have been outlined. It rather seems as though Monessen is not going wild over the scheme placing hard cash in a bridge, which it considers a hilltop trolley line need. Donora is engaging in no hilltop trolley movement, so it can engage in a bridge movement to heart's content. It will get Monessen's moral support perhaps but before anything else comes that trolley line and good roads.

## PITTSBURGH STEEL ACCEPTING NO ORDERS FOR 1916 DELIVERIES

Official announcement has been made at the Pittsburgh Steel company plant at Monessen that no more orders would be booked for 1916 delivery. Departments of the local mills have been working 24 hours a day for the past three months and have been unable to catch up with orders. It is said that no shipments earlier than May 1917 would be guaranteed for orders placed within the last ten days.

## PHILOSOPHY

A tramp who has been made at home in the coke ovens about Charlestown all winter has been informed that he is the sole heir to \$150,000. He absolutely and unconditionally refuses to accept the money, claiming that he is happier down in the depths of poverty with nothing and no one to interfere with his movements, than he could possibly be with wealth and friends. The various obstructions to a capitalist's pleasures rose before him and he refused to accept the money and the tramp spurned the proffered wealth had been showered upon him and the tramp spurned the proffered wealth had been showered upon him.

The experiences, the trials, the rise and fall of J. V. Thompson, the time controlling power of Fayette county no doubt too, have prejudiced the tramp to some extent against the men of wealth. He can see in this example that men of wealth rise and fall and that individuals are subject to the same fluctuations as Wall street stocks.

No sooner had the tramp been notified that he was the legal heir to this amount of money than he began to day dream. His mind wandered back home, back to the fire that he deserted and he saw in his mind's eye the loved ones of long ago, and he felt keenly the responsibility of returning to them. "Back there," he said "I will be expected to wear a white shirt with starched collars and cuffs, use a napkin at the table and cough up a part of everything I have."

He decided he is better off warmed by the heat of a coke oven than by the hot cinders at his hearstone of old, and he decided to refuse the fortune and continue life in his accustomed care free way. Dickens in his time would have called this man a philosopher of fiction, but we of today with our money mad tendencies will have to call him a regular gosh darn fool.

## READY TO CONFESS

The Democrats of this country including President Wilson are about to confess their ability to properly manage this government. And in the face of that humiliating fact they are asking another lease of power on promises to do better in the future.

The confession of failure will come from the Democrats in Congress in the form of a bill to amend the Underwood near free trade legislation in a variety of instances with a view to providing sufficient revenue to properly run the government in times of profound peace and provide, if necessary, any extraordinary expenses that may be imposed by preparing to compel peace and proper respect from all foreign nations.

The finances of this country are now admittedly in a precarious condition. The Underwood near free trade tariff legislation is less than 30 months old, but in that time the Democratic experiments have miserably failed and now on the eve of another Presidential election they propose more experimental tariff tinkering.

The Democrats made two positive pledges when they originally tampered with the tariff. They promised that their efforts would reduce the cost of living and would raise sufficient revenue to meet all ordinary demands of the government. Neither pledge has been kept and Democratic inefficiency is generally regarded as a tragedy.

The Republicans of Pennsylvania will move in solid column against the inefficient and incompetent Democracy. Political disturbers are not faring well these days.

There is one habit which every one should form, and that is the habit of observing annually the spring Clean-up idea. Originally, we are informed this idea of having a nationally known and observed Clean-up week was mapped out by paint manufacturers with an object in view of course being to boost the sale of paint. But in doing it they accomplished something worth while to every city, town and hamlet in the universe and performed a duty that some one should have performed long ago. It might be the wisest course to set apart apart just one week for Clean-up week and then to enter into its observance heartily and with one accord. Such a celebration has more to commend it than any of the celebrations which have been held in the past, worthy as they have been. There isn't a person but whom can do something along the lines of cleaning up

and if everybody does a little a tremendously big lot will be accomplished. In its plan of broadening out the Charlestown Business Men's association might well take up this idea. There's nothing hard about the scheme. To arouse enthusiasm in such a movement would be to the contrary extremely easy, and a little contagious enthusiasm is all that is needed.

The arrest of the quartet at Montongahela for thefts of copper, brass and other valuable materials from nearby mills and mines is timely and should be followed by a rigid investigation. They call it junk thieving, but it makes no difference by what name it is known, the burglary is the same as though night marauders should invade the privacy of your home and carry away your silver. Junk thieves should be punished the same, therefore as the second story man. Generally he gets away with more and is just as hard to follow. Junk dealers too should be given a solemn warning in regard to accepting goods from a source of which they know nothing. There is one of the biggest sources of all the junk evil. Many junk dealers are honest but many more are not, and those of the latter class will have to be taught in a stern manner to obey the laws of the land.

## ELECTRIC SPARKS

Most of us are not strong for the sort of groundhog weather that February 2 animal predicted.

Russia seems to be fighting to discover what it is fighting for.

Wuff.

A sausage man a poodle caught. The pup looked sad and glum; "Oh, woe is me!" the doggy thought. "The wurst is yet to come."

—Luke McLuke.

One can feel a sense of pity for the chap who has to suffer as the inventor of a popular new catch phrase.

Fishing may improve in the county, according to the press dope of the Wild Life league, and if this isn't good advertisement in the interests of the simple life, we'll swallow the scissors.

One of the idiosyncracies of a tricky fate is to arrange a slippery spot underfoot just when you want to tip your hat the nicest to the sweet girl at the corner.

Sure Causes of Insomnia. Insomnia, complete or partial, almost surely follows any undue excitement, worry, anxiety, and chieftains of all peoples engaged in war would be more than human if they did not succumb to the dread affection which much make them feel that, like Macbeth, they had murdered sleep and would sleep no more.

## HUGH MALONEY'S DWELLING AT MONESSEN DAMAGED BY FIRE

Damage to the extent of \$1,000 was done by a fire which broke out Tuesday night at the home of Hugh Maloney, superintendent of the open hearth plant of the Pittsburgh Steel company. The fire originated from a gas explosion which occurred from an unknown cause.

## PRINTERS UP AGAINST IT REGARDING PRICES

Indications are that commercial printers will soon be compelled to ask advances on virtually all grades of work because of the scarcity of dyestuffs and chemicals caused by the war. Material advances have been made by the manufacturers of papers and inks during the past three months and although local printers generally have been meeting conditions by accepting considerable curtailment of profit, those in touch with the situation say the problem is a serious one and that adequate advances to customers are the only solution.

During the past few months, colored inks have advanced from 25 to 200 per cent above the normal and all paper has advanced at least 10 per cent. On many kinds of paper, however, this advance has been from 20 to 25 per cent. Aniline dyes have risen from 40 cents a pound to the almost prohibitive price of \$20 a pound.

There was a time when the printer did not bother to figure the cost of the ink on a job, but that time is past and today the cost of the ink, especially colored is a big item. Fancy printing in colors is as a result falling off and unless the dy situation is relieved it is not unlikely that before long all fancy work will be done in black and white. Reds in paper are almost impossible to buy, and all the other colors can be obtained only at a great advance in price.

## COMMON LAW MARRIAGE DOESN'T HOLD—IRWIN

The court, in an opinion just handed down, written by Judge R. W. Irwin, fails to sustain the allegation of Elizabeth Riggie, alias Elizabeth Hewitt, that a common law marriage contract existed between her and David Hewitt at Washington. The facts came before the court in a prosecution brought by Miss Riggie against David Hewitt for desertion and non-support. The court discharges the defendant, but directs him to pay the costs.

Unusual facts are involved in the proceedings. The evidence showed that David Hewitt and the prosecutrix lived together. The past few years they had differences and severed their relations. A number of years ago, at a time when Miss Riggie was financially involved her property was transferred to David Hewitt, who she claimed, was her husband under a common law contract. Following the separation Hewitt sold the property, which consists of a tract in Amwell township that had been the home of Miss Riggie for years. She refused to give possession to the land, averring there was no consideration passed between Hewitt and her.

The title question was disposed of in an ejectment proceeding, it being decided in favor of Hewitt. The common law marriage legality was not determined in that action. Subsequently prosecutions were brought, in which both were charged with crimes against morality. Both entered pleas of guilty. This fact entered seriously into the case just disposed of in the opinion handed down.

During 23 years, the evidence showed, Hewitt lived and acted as though he was the head of the household. Miss Riggie claimed that sometime after they had lived together

they entered into the common law agreement. The defendant, in the desertion and non-support hearing denied this agreement. She further claimed that some time after the agreement they went to Wheeling and at the hotel the defendant registered as "David Hewitt and wife." He denied this.

It was well known in the community that they were living together. Three children were born to them during the time they lived together, and there was no dispute that David Hewitt was the father of these children. Two of them are dead and the third is a young man now a student and a young man of respectable standing.

The court says in considering the facts that its decision will legitimize this young man, "the evidence in the case absolutely precluding a decree that would relieve him of the stigma they have cast upon him."

The evidence showed that prior to the time Elizabeth Riggie began living with Hewitt she had lived for a number of years with another man. Witnesses testified that they knew that the defendant and Miss Riggie had lived together for years and it was the general belief they were husband and wife but they had no knowledge of any marriage contract. The prosecutrix thought it was shown, was always known as Elizabeth Riggie. The evidence the court says, partment stores is absent on a trip to over been any bona fide agreement between the parties.

## B & B

introducing new tailormade suits and dresses at \$25.00

The new styles—the new trimmings—the new materials. Correct in all those requirements that appeal to discriminating women. To talk about these Suits and Dresses is merely a vague description of some other person's enthusiasm—but a happy realization awaits all who come.

We particularly mention a group of high-class models, in choice materials, at a popular price. Suits that are indeed exceptional from point of style, workmanship and fabric. Coats of varying length, with the snug-fitting waist line, new flaring effects, as well as the many belted models—Skirts with increased fullness—black and white checks, dark colors and light shades—in Serge, Gabardine and Wool Poplin—Sizes 34 to 46.

One very attractive model comes in black and white check—Coat is a splendidly tailored style with a yoke, pleated back and front—lining and trimming of Joffre Blue or Rose Silk Faille—the waist line is finished with a fancy leather belt.

First large and complete showing at \$25.00  
Other Suits for Women at \$18.50 and up to \$125.00.

### dresses

Dainty and effective creations, typifying a large degree of smartness in style and cleverness in designing.

You must see in order to catch the real importance of the showing—which embraces everything from the lowest price to the higher price.

Dresses for afternoon wear—new models in Taffeta, Georgette Crepe, Soiree Silk and Crepe de Chine—all show the full rippling skirt, with bodice combination effects in flesh colored vestees and collars—all the new Spring shades represented—Cactus Green, Dove Grey, Navy, Plum, Holland Blue, African Brown, White and Black—large assortment—\$25.00.

Also a splendid showing of Silk Dresses, Lace and Net—at \$10.00, \$12.50, \$15.00, \$18.00 and up to \$75.00.

Misses' White Voile Dresses priced \$5.00, \$6.50, \$10.00 and up to \$22.50.

Misses' White Net Dresses—\$12.50, \$15.00, \$18.00, \$22.50 and up to \$35.00.

## Boggs & Buhl.

## JACOB J. SWANK PRAISES TANLAC MASTER REMEDY

Retired Business Man Feels it a Duty To Make Facts Known.

Jacob J. Swank, a retired business man of 625 Napoleon St., Johnstown, Pa., said recently:

"I am a conservative man and have especially been skeptical regarding endorsements of medicines of any character, although I have used many of them in attempts to obtain relief from catarrh of the head and throat and stomach trouble.

"I believe I had used almost everything imaginable before I took Tanlac. At night when I slept, which was poorly, I evidently swallowed accumulations of mucus, as I invariably awakened in the morning choked and nauseated. That is the way I judge that my stomach became affected.

"My hearing became impaired and the itching in my ears became almost unbearable, and there were roaring noises also. I had a most unpleasant taste in my mouth and scarcely any appetite.

"My condition was so distressing that I had almost determined to visit a dry, salt climate to gain relief. I watched the introduction of Tanlac carefully and I finally decided, if so many men and women of evidently sound sense used the medicine and said they were benefited it would be worth my while to try it, although I really had no faith in it at the time.

"I was surprised, however, I began to improve rapidly under the Tanlac treatment. My whole system is now right, the accumulations in my nose and throat have disappeared, my hearing has improved, I eat better, my sleep is restful and I feel better every way. I now consider myself physically able to throw off any other symptoms.

"I am a well man and I propose to tell others of the good Tanlac has done me. I feel it is my duty to do so."

Tanlac, the Master Medicine that masters when everything else fails is sold here by Piper Bros. Pharmacy, where it can now be had.

### NO APPETITE—LITTLE SLEEP

Symptoms of a Run-Down Condition, We Have a Remedy.

We ask every weak, run down person in Charleroi to try our Vinol, with the understanding that their money will be returned if it does not re-establish their health. Letters like the following give us confidence:

"I am in the millinery business and on my feet most of the time. I got so weak and run-down that I lost my appetite and was unable to sleep, had a severe chronic cold and lost my color. I learned about Vinol through a friend and within three weeks after taking it I noticed an improvement, and soon gained in weight, health and strength. I am recommending Vinol to my friends and they also speak highly of it." Catherine Hoar, West Chester, N. Y.

In hundreds of cases where old-fashioned cod liver oil and emulsions have failed to restore strength and health, Vinol has succeeded, because while it contains all the curatives they do, its good work is not retarded by useless grease and oil. Piper's Drug Store.

#### Executrix's Notice

Estate of Emma Deeter, Deceased Late of Borough of North Charleroi.

Letters testamentary upon the above estate having been granted to the undersigned, notice is hereby given to those indebted thereto to make immediate payment and to those having claims to present same for settlement.

Lillian D. Morgan, Executrix, Ellsworth, Pa.

Guy Moffitt, Attorney.

Make the Best Medicine at Home—128 Teaspoonful for 50 Cents

Money spent for the old style ready-made medicine usually sold in bottles holding only 2 to 2½ ounces (16 to 20 teaspoonful) is largely wasted, because most of them are composed principally of sugar and water. Yet you have to pay the same price as if it were all medicine. Stop wasting this money. You can make a better remedy for bronchial affections, at home at one-fifth the cost. Merely go to Piper's pharmacy and ask for 2 ounces (50c worth) of Schiffman's New Concentrated Expecto-rant, which they guarantee will give perfect satisfaction or money will be refunded. Mix this with one pint of granulated sugar and one-half pint of boiling water, which makes a full pint (128 teaspoonful.) This new, simple, pleasant remedy is guaranteed to relieve the worst cough or cold, Bronchial Asthma, Bronchitis, Croup, Hoarseness and Whooping Cough. One bottle will make enough home-made medicine to probably supply the whole family. Children like it, it is so pleasant to take. It is unlike any other medicine, and positively contains no chloroform, opium, morphine or other narcotics, as do most cough mixtures. Keep it on hand in case of emergency and stop each cough before it gets a firm hold. The above druggist, in fact any druggist in this city, will return the money (just the same as is done with Schiffman's famous Asthmador) in every single case where it does not give perfect satisfaction or is not found the best remedy ever used. Absolutely no risk is run in buying this remedy—under this positive guarantee.

## COMFORT-STYLE-SERVICE IN NEMO SELF REDUCING CORSETS

The corset problem of the stout woman is frequently a difficult one.

Nemo Self-Reducing corsets are made especially to fill the requirements of the woman of stout figure. These Nemo models have special and exclusive hygienic features which give universal satisfaction.

We have two fine Nemo Self-Reducing Corsets, Nos. 315 and 316, suitable for average full figures of short, tall and medium height. These models have the famous Nemo Duplex Back, consisting of scientifically arranged inserts of semi-elastic cloth. These make the corsets comfortable in any position. Nemo Self-Reducing Straps by constant and gentle auto-massage soften and permanently remove surplus abdominal fat. A well-made, very stylish corset.

Splendid value at \$3.00.

Other Nemo Self-Reducing Corsets for every type of stout figure.

## DRINK HABIT

### RELIABLE HOME TREATMENT

We are in earnest when we ask you to give ORINE a trial. You have nothing to risk and everything to gain, for your money will be returned if after a trial you fail to get results from ORINE. This offer gives the wives and mothers of those who drink to excess an opportunity to try the ORINE treatment. It is a very simple treatment, can be given in the home without publicity or loss of time from business. Can be given secretly without patient's knowledge.

ORINE is prepared in two forms: No. 1, secret treatment, a powder; ORINE No. 2, in pill form, for those who desire to take voluntary treatment. Costs only \$1.00 a box. Ask for booklet. Piper's Pharmacy, Cor. 5th St. & Fallowfield Avenue, Charleroi, Pa.

## NOTE OF WARNING IS ISSUED TO AUTOISTS

Of particular interest to all automobile owners and drivers should be the advice which has just been issued by the Wolverine Automobile club of Detroit, Michigan, under the caption of "Ethics for Drivers of Motor Cars." The main idea insisted upon by these paragraphs is courtesy and at the end of each paragraph appear the words, "Be courteous." If this advice were followed by automobile drivers generally the complaints that are almost daily received by the police authorities about fast driving, cut outs and the like would be things of the past. Among the specific things advocated by these paragraphs are:

Do not hog the middle of the street. Give the other fellow room to go by and do not speed up.

When a man comes in from a side street, give him room to turn the corner. When you stop to turn, think of the car behind you. When you park your car think of the fact that others may want to leave first.

Do not dodge in and around cars in line in traffic.

Do not presume too much when you have the right of way.

Do not cut in front of a street car.

When the traffic officer signals you to go on, give the pedestrians time to get out of the way.

If a person is trying to reach a car from the curb, slow up or stop and let him cross without danger.

When a pedestrian pays no attention to your horn, remember that he may be deaf.

When you have an insane desire to speed, remember that it is only not sport to drive fast in the city, but it is the most rank discourtesy to fellow motorists and fellow citizens. Think of the accidents that may happen and of the persons in your own car who may have a fear of speeding, but who are trying to be game and not show it.

When a pedestrian sees you coming and deliberately pays no attention to you, remember that some are mentally deficient.

When you see a child on the curb, slow up. Remember that the child can start more quickly than you can stop.

Do not open your cut-out on the

street during the day. Remember there are many sick people and people on their death beds, who may be greatly disturbed by the sound.

Do not open your cut-out at night, for you probably remember some night you were disturbed while trying to sleep by some fool whose greatest claim to fame was his noise.

And remember that your horn is just a few times worse than your cut-out.

Be courteous to police officials and they will more than repay you for it.

## MUCH DEPENDS UPON BRANNIGAN-WIMLER MILL

The last work of training is being done today by Patsy Brannigan the bantam champion and Eddie Wimler the Fair Haven lad in preparation for their battle here tomorrow as the main attraction of the Charleroi Boxing club's show. Much depends upon this bout consequently it has attracted great interest in western Pennsylvania districts.

The semi-final between Bull Miller and Battling Sherbine promises to be a mill worth going a long distance to see. Miller appeared recently in a final with Jim Perry of Pittsburgh. Sherbine is just getting into the finest shape. He is a boxer whose work was much admired on his Charleroi debut. Joe Larue and Dad Copic will meet in the second event and in the opener Kid Hildebrand and Young Kutz will be seen at work.

## MRS JACOBS HOSTESS AT BAPTIST SILVER SOCIAL

Mrs. J. A. Jacobs was hostess at a silver social given by the Mission Circle of the First Baptist church Thursday afternoon. An informal program was presented and an enjoyable afternoon spent by those present. Arrangements for a supper soon to follow were talked over.

## DONALD KELLOGG ENTERTAINS MEMBERS OF HOMLIS MEDLIRS

Members of the Homlis Medlirs club were entertained at the home of Donald Kellogg on Lincoln avenue Thursday evening. Music and games were the diversions. A two course luncheon was served by the host's mother Mrs. David Kellogg.

## HIGH SCHOOL CONCERT TO BE GIVEN NEXT THURSDAY

All Musical Organizations of Institution on the Hill to Appear, Together With Soloists.

Much anticipation is being manifested in the coming concert to be given at the high school auditorium by high school musical organizations of next Thursday evening. One of the finest sorts of programs has been arranged under the direction of Prof. L. T. Daniel, music supervisor in the schools, assisted by those in charge of special departments of musical work, including Guy Garrett of the Mandolin club and Miss Francis Corbett. The program will consist of quartets, solos, duets, piano, banjo and clarinet numbers, orchestra selections, mandolin club numbers, solos and choruses. This will be the first concert of the kind ever given in Charleroi and the array of talent gotten together for the event would be a credit to many a larger high school than Charleroi.

## ST JEROME'S GIRLS BEATEN BY MONESSEN

Team From Across the River Captures Game Here by the Score of 20 to 6.

St. Jerome's girls team was defeated Thursday night by the Monessen Lyceum girl's team by the score of 20 to 6. The shooting and floor work of Miss McGinty was exceptionally good. She played a star game for Monessen, scoring 13 of the 20 points. Miss Motts played well for the Charleroi girls. The Charleroi Lyceum girl's team is endeavoring to get a game with the high school girls team now. Lineup: St. Jerome's—6 Miss Motts F Miss McGinty Miss Conway F Miss B. Conway Miss Bezy C Miss G. Conway Miss Calahan G Miss Hill Miss Carroll G Miss Lafferty Field goals—Miss McGinty 8, Miss J. Conway. Fouls Miss McGinty 2 of 8, Miss Motts 6 of 10. Referee—McDowell.

TRY A CLASSIFIED AD

## PERSONALS.

J. D. Berryman of Berrymans Department stores is absent on a trip to the east on business.

Mrs. George W. Benford is entertaining this afternoon at her home at Brownsville at a Musical Tea in honor to Miss Ethel Barth of Charleroi. Among those who poured tea was Miss May Barth of Charleroi sister of the honor guest.

Miss Helen Meeker has returned from Massillon and Cleveland, Ohio, to resume her duties as milliner at the Stewart Millinery parlors.

John Rieckey son of Mr. and Mrs. J. K. Rieckey returned to his home at McKeesport after visiting with his grandparents Mr. and Mrs. Thomas Mangan. He was accompanied by Miss Gertrude Mangan who will visit there for several days.

Mrs. J. W. Carroll has gone to Parkers Landing to visit several days.

Mr. and Mrs. M. Oravitz are visiting at Beaver Falls.

Mrs. Sadies Riffe and granddaughter Elizabeth Welsh of Ada, are visiting with Mrs. Riffe's daughter Mrs. E. C. Kelley of McKean avenue.

## MUCH INTEREST BEING SHOWN IN COMING SYMPHONY CONCERT

Prof. Jean DeBacker to Direct Second Concert of Series at High School Auditorium.

Considerable interest is being shown in the concert to be given next Tuesday evening at the High school auditorium by the Charleroi Symphony orchestra under Jean DeBacker conductor. Numerous demands for tickets have been made by parties from Monongahela, Donora, Monessen and other nearby towns. Monessen will be represented by a party fully fifty in number. It is gratifying to the management to know of the deep interest which lovers of good music are taking in the organization. Some changes have been made in its personnel since the first concert and the orchestra is a greatly improved body since its initial appearance. In addition to the program numbers already announced the orchestra will play two string numbers written by the late Fidelis Zitterbart of Pittsburgh and Pierre DeBacker, the violin soloist will contribute another number by the same composer entitled, "Indian Dance." All in all, local patrons may anticipate a musical feast next Tuesday evening.

## Turner's Fair and Bazar.

The Monongahela Turners will hold a fair and bazaar in their hall Monday, February 28 to and including March 4. Admission 10 cents. Dancing every evening. Valuable prizes will be disposed of. 214-43
